Dear Ms. Marcus:

I congratulate the Historical Society of the New York Courts on the concept and execution of this wonderful project that will capture an unprecedented period of court history. It will preserve and provide guidance to our successors for dealing with the logistical, technical and human challenges posed by the coronavirus pandemic. Our jurists, administrators and court staff have all worked collaboratively to enhance the functioning and adaptability of the court in this most difficult time.

I am grateful, personally, to all the jurists, clerk staff, managers and LAN team who have worked so tirelessly, creatively and responsibly during this period. They have very effectively joined together to reinvent our court operation to meet the needs of and serve the children and families of the City of New York.

Very truly yours,

Hon. Jeanette Ruiz  
Administrative Judge  
New York City Family Court
